

## CONFERENCE EXHIBITION OPPORTUNITY 2023

The STL Regional Youth Employment Coalition (RYEC) is a cross-sector collaborative focused on increased youth employability and growing diverse talent pipelines. This year the coalition is bringing back the Level Up STL conference in person, which will focus on soft skills training, financial literacy, and increasing young people’s awareness of middle skills career pathways. It will be taking place on April 18<sup>th</sup> from 9:00 am to 2:00 pm at St Louis Community College-Forest Park at St Louis Community College-Forest Park, located at 5600 Oakland Ave, St. Louis, MO 63110.

The conference will focus on soft skills training, financial literacy, and increasing young people’s awareness of middle skills career pathways. An estimated 150-200 youth will participate this year, ages 15-24. The conference will provide critical pre-employment training that will support youth to succeed in their placement.

There will be an opportunity for businesses, training programs, and non-profit organizations to promote their opportunities through a resource marketplace between 1pm - 2pm. RYEC cordially invites you to join us as a conference exhibitor during this time.

### EXHIBITOR OPPORTUNITIES

**\$250.00** - Business/for-profit exhibitor registration fee
